The Tuolumne County Resource Conservation District (TCRCD) and the Tuolumne Fire Safe Council (TFSC) have been awarded separate grants to reduce fire fuel loads along Jamestown Road and to maintain and widen the fuel break around the Dragoon Gulch Trail and reduce fuels along the boundaries of the Dragoon Gulch Hiking area. The Town Hall Meeting will offer the community an in person opportunity to ask questions and voice concerns.

Funding for this Dragoon Gulch project provided by the California Department of Forestry and Fire Protection's (CAL FIRE) Wildfire Prevention Grants Program as part of the California Climate Investments Program.

Funding for the Jamestown Road Project Provided by the Bureau of Land Management, a division of the Department of Interior
